

We are Different, That's Okay

Sing to the tune of Twinkle, Twinkle, Little Star)

Verse 1:

We are different, that's okay,
We are friends in every way.
Big or small, short or tall,
We can always play with all.
We are different, that's okay,
We are friends in every way!

Verse 2:

Some like blue and some like red,
Some like books, and games instead.
Different things we love to do,
But I'm still a friend to you!
We are different, that's okay,
We are friends in every way!
